Terms & Conditions

- a. Stock supported yarns are available in the colours shown on the colourcards in a minimum of one full cone, 1 Kg (2 lbs) per colour.
- b. For any single purchase order quantity below 50 kgs (110 lbs), the yarn price will be applied with 20% price surcharge.
- c. For customer own colours, 30% deposit will be required after order confirmed.
- d. All yarns are subject to (+/-) 2% moisture regain allowance in weight.
- e. For any order quantity of 100%Cashmere above 10 kgs (22 lbs) will be shipped to HK by truck; Any total shipment quantity below 450 kgs (992 lbs), HK\$400.00 will be charged to the customers account. In addition, any sample yarn of other qualities' shipment less than 30 kgs (66 lbs) will incur a courier charge.
- f. For any shipment quantity above 450 kgs (992 lbs), local (Hong Kong) delivery will be free of charge, port charges will be at customer's account (CIF to be confirmed).
- g. We will deliver the goods to the customer's designated location. If the responsible party at the location refuses (or is not available) to accept the goods, we will charge HK\$300.00 for each additional delivery. For warehouse fees, HK\$200.00 plus HK\$10.00 per carton will be charged for each additional night.
- h. Each order can be amended or cancelled within the same working day at no charge. For any amendment or cancellation within 2 days, 10% service charge will be incurred.
- i. HK\$500.00 will be charged for each GOTS/OCS/GRS/RWS transaction certificate if the order quantity is below 1,000 kgs (2,200 lbs).
- j. The above prices are for reference only, and are subject to our final confirmation.
- k. Fibre Content (AATCC 20A-2000): Products are labelled according to AATCC 20A-2000 method, where two or more fibres are in the product, a tolerance of (+/-) 3% is allowed.
- l. UPW has no liabilities on any quality issues which arise by improper use or further chemical treatments(such as acidic wash,dyeing, anti-shrinkage including SIMPL-X) or special finishing(such as over-wash) of UPW's yarns.
- m. Due to the nature of fancy twisting there may be a greater difference in lot shading. Please ensure that you use cones from the same lot in each garment.
- n. As with all fancy yarns, it is recommended to knit using more than one feeder, to reduce the possibility of colour phasing.
- o. Yarn should be knitted directly from the cone supplied. Do not rewind before knitting as this may affect appearance and performance.
- p. The RMB prices now include VAT at 13%.
- q. Machine Washable Standard: ISO 5077 & 6330 / Machine Washable Standard: Woolmark TM31
Colour Fastness Standard: ISO 105 - C06 / Reference Light Source: D65 (Illuminant)
